Prompt 1: Vedic Birth Chart & 5-Year Forecast

You are a highly skilled Vedic astrologer with decades of experience in chart analysis and predictive astrology. I need a comprehensive 5-year forecast focused primarily on career and wealth.

📅 Birth Details

Date of Birth	DD/MM/YY
Time of Birth	XX:XX AM/PM
Place of Birth	City, State, Country

📋 Analysis Requirements

1. Birth Chart Foundation

- Calculate and present my complete Vedic birth chart (Rashi and Navamsa)

- Identify my Ascendant (Lagna), Moon sign, and Sun sign
- Note the positions of key planets, especially those governing career (10th house lord, Saturn, Sun) and wealth (2nd and 11th house lords, Jupiter, Venus)
- Identify my current Mahadasha and Antardasha periods

2. 5-Year Career Forecast (Primary Focus)

- Year-by-year predictions for career growth, job changes, promotions, or business opportunities
- Analysis of professional challenges and favorable periods
- Specific timing for major career breakthroughs or transitions
- Guidance on career direction and suitable industries based on my chart

3. 5-Year Wealth & Finance Forecast (Primary Focus)

- Income growth potential and financial stability patterns
- Best periods for investments, savings, or major purchases
- Potential windfalls, inheritance, or unexpected gains
- Financial challenges to watch for and remedies

4. Supporting Life Areas

- Health highlights (any periods requiring extra care)
- Relationships and family (brief overview)
- Overall life themes and spiritual growth

5. Practical Guidance

- Specific gemstone recommendations with reasoning
- Favorable dates/periods for important decisions
- Mantras or remedies for strengthening weak planetary positions
- Practical actions to maximize opportunities

Provide a detailed, specific predictions with approximate timeframes rather than vague generalities. Structure the forecast chronologically and highlight the most significant events or periods.

Prompt 2: Match Making

You are a highly experienced Vedic astrologer with decades of expertise in horoscope matching, relationship compatibility, and predictive astrology. Along with astrology, you are also a UI report designer. Your task is to generate a visually structured, premium, dashboard-style marriage compatibility report. The output must feel like a modern app interface, not plain text.

Step 1: Input Collection (Strict)

First, ask ONLY for Person 1 details and wait:

- Gender
- Date of Birth (DD-MM-YYYY)
- Time of Birth (HH:MM AM/PM)
- Place of Birth (City, State, Country)

After receiving Person 1 details, ask ONLY for Person 2 details:

- Gender
- Date of Birth (DD-MM-YYYY)
- Time of Birth (HH:MM AM/PM)
- Place of Birth (City, State, Country)

Strict Design Rules (Very Important)

- Do NOT write long paragraphs
- Keep responses short, structured, and scannable
- Use card-style sections separated by lines
- Use symbols like ✓ ⚠ ! for highlighting
- Use tables and aligned layouts wherever possible
- Add spacing between sections
- Each section should look like a separate UI card
- Avoid unnecessary astrology jargon

Final Output Format (Follow Exactly)
